# About IMFS

At IMFS, we live and breathe John C. Maxwell's philosophy – guiding, mentoring, and showing you the path to success. From a modest beginning with just four students in 1997 to serving a thriving community of 60,000+ alums in 2023, we have consistently exceeded expectations for over two and a half decades.

We are leaders in comprehensive test prep coaching and counseling, with a global reputation. With prestigious accolades like the Education Excellence award and Best Overseas Education Consultancy in India under our belt, our experienced 70-member team ensures personalized guidance and unwavering support for every student.

## Mr. K P Singh, Founder & MD

The Founder of the Institute of Management and Foreign Studies (IMFS). When you think of transformative global education journeys, one name stands out – K P Singh. Through his unyielding passion, thousands have found their path from India's heartland to the prestigious corridors of international universities.

## Prof. Nitin Lathe, Head Faculty

He has been teaching Mathematics for exams like GRE, SAT, GMAT and CAT for last 20 years. In this time, his passion for maths, & humour filled classes have helped train 40,000 students till date.

## Ms. Sarita Sinha, Head Undergrad Program

Specialises in offering turn-key services for students who wish to study overseas – from exam preparation in GRE/GMAT/IELTS/TOEFL/SAT/ACT/LNAT to the application essays, recommendation letters, and visas.

# Our Students' Feedback

**ARNAV WAVRE**  
Bsc Bioengineering and  
Biomedical Engineering

Good counsellors, were pretty helpful with all the procedure and requirements needed for going to the US. They were always available & answered all of the questions properly.

**YUTI JETANI**  
Bsc in Product Design

A wonderful experience at IMFS. They helped me pick just the best fit collage for me. The entire hassle of documents & applications really became simple with their help and guidance. Overall I had a really smooth experience.

**CHAITANYA MEHTA**  
Bsc in International Business

I am happy to take a moment to express my gratitude for the support and direction I received from IMFS, in particular Reshma Bokaria Ma'am, throughout my visa application process. Her in-depth knowledge & attention to detail reassured me that I was in capable hands.

**FIONNI THAKKER**  
Bsc in Computer Science

This dream wouldn't be possible without the incredible support of IMFS. From day one, the team has been my rock, guiding me through every step, answering questions patiently, and ensuring everything went smoothly. Their dedication turned a stressful journey into a memorable experience.
